DIRECTOR'S GREETING

DIRECTOR'S GREETING

On behalf of the Members, Staff and Directors of the Dive Industry Association, I would like to welcome you to our 2025 Trade Publication and Directory. In our 24-year history of *Building a Better Industry, One Member at a Time*, the Dive Industry Association has taken a leadership role in uniting the industry to a common purpose and working to grow the diving industry.

This Trade Publication and Directory is more than a listing of dive businesses in the industry. It is a cooperative effort of Dive Industry Professionals Worldwide who work tirelessly to promote and grow the industry to bring you the best diving programs, products and services available. Their collective support and dedication to the industry makes snorkeling and scuba diving one of the most exciting and accessible recreations in the world today.

The 2025 Trade Publication and Directory is designed with the active Diver and Dive Business in mind. We have built this publication to help active Divers find quality diving equipment and accessories, professional dive training programs, and world-class diving at the finest dive destination worldwide. From a trade standpoint, this publication serves as Buyer's Guide for goods and services available to the retail and wholesale diving trade. It is our goal to expand this publication every year to make it the most complete and comprehensive guide of its kind.

We have made every attempt to keep this Trade Directory current and up to date as possible. The Directory will soon have its own website at www.diveindustrydirectory.com and will be updated throughout the year.

Thanks again for picking up a copy of The Dive Industry Publication & Trade Directory. We appreciate your commitment to the recreational diving industry.

MEMBERSHIP

The Dive Industry Association is a Marketing and Trade Association dedicated to *"Building a Better Industry, One Member at a Time."* Founded in April 2001, Dive Businesses and Individuals have joined our association to promote their business and grow the diving industry.

"Building a Better Industry, One Member at a Time"

Our Purpose is to build a cohesive and functional Global Diving Business Network.

Our Vision is to *Build a Better Industry, One Member at a Time.*

Our Mission is to Bring Buyers & Sellers together to facilitate business success and industry growth.

Our Focus is to concentrate on the industry's sale of diving equipment, training, travel, and lifestyle products.

Our Goals are to:

- Unite the Industry to a common purpose
- Promote Professional Business Development within our Membership
- Generate maximum marketing exposure and sales leads for our Members
- Increase business opportunities for our Members

Reasons to Join: There is no place in the industry where you get as much coverage for so little an investment. Annual dues are \$125. Annual renewals, if paid by your annual renewal date are \$100. The association promotes your business using blogs, websites, directories, social media, at trade and consumer shows and through direct referrals. Our networking capability is the envy of the International Diving community. The discounts you receive from Constant Contact by being a member and the FREE weekly press releases you receive more than pay for your dues many times over. Don't be a *Lone Marketeer*. Join the Dive Industry Association this year.
